

FOR EVERY 25 SHOEBOXES 4 CHILDREN DECIDE TO FOLLOW JESUS through The Greatest Journey discipleship lessons

KARLIE, SEYCHELLES

“During The Greatest Journey I learned and discovered my Jesus and developed a profound relationship with my Creator. It has helped me to grow spiritually. Now I am very proud to be a child of God. My prayer every day is Psalm 23. My goal is to share Jesus with all my friends.”

JEREMY, COSTA RICA

“My life before knowing Jesus was not fun because I felt alone, and I didn't like that...I learned from The Greatest Journey of Jesus' sacrifice and forgiveness of sins...The difference, now that I follow Jesus, is that I don't feel alone anymore. I have hope.”

NA DAYUTH, CAMBODIA

“I know that Jesus died on the cross for me. Jesus never discriminated against the sick people or the children. Jesus didn't care about our past too, but God loves every one of us. God has changed my life to be patient and kind to others and God changed me to be a person who always loves and helps others.”

SHOEBOX RECIPIENT, SENSITIVE COUNTRY

“I used to abuse and criticize everyone around me. Then I went to Sunday school one day and received a shoebox that I enjoyed. I followed with The Greatest Journey. It changed my life completely. I learned about Jesus Christ and all that He did for us...Every chapter in the book held a special lesson for me. I felt like the book was specifically made for me. Now that I have accepted Jesus Christ as my personal savior my life is totally different.”
